

Read data processing

MS Maximilian R Stammnitz

Updated date: Mar 2, 2021

 An abbreviated version of this protocol was published in eLIFE in Jan 2021

Freshwater monitoring by nanopore sequencing

DOI: 10.7554/eLife.61504

Detailed protocol

Hi,

All of our analysis steps and scripts are detailed out on our Github page (<https://github.com/d-j-k/puntseq>) and in the Material and Methods section of our article in eLife (<https://elifesciences.org/articles/61504>). Please get back to us with more specific questions if anything comes up following these descriptions.

Best wishes,

Max
